On Wednesday, August 30 CAVA members and partners in ministry gathered at St. Francis Woods in Frankfort, Illinois that included an orientation for new members, a presentation on

(CAVA Coordinator)

Together with our members the CAVA Board has been working on getting in touch with changing member needs and realities in vocation ministry. We conducted interviews over the summer and synthesized a three year action plan that surfaced from our member gatherings of the past two years. We have also sent letters and brochures to communities inviting those who are not yet part of CAVA as part of our membership campaign. We believe that everybody has a responsibility and a role in creating a culture of vocations based

on our Baptismal call and our response beyond the immediate need to “add to our numbers” or seek replacement for functionary roles. As witnesses to Gospel values, we are building a wider collaboration that fosters missionary discipleship in our youth and young adults. Formed in 1979 as an association, CAVA continues to work collaboratively among members and with partners in ministry.

CAVA Brochure

Our new brochure is now available from our website:

<http://www.vocationscava.org/join-us/>

We invite those who are passionate in helping young people discern their vocation to join CAVA or to spread the word about our work and resources we offer.

Congratulations, Fr. Byron!

Fr. Byron Macias, CMF, was ordained to the priesthood on July 29, 2017. Bishop William Medley of Owensboro, Kentucky, presided the ordination along with Fr. Rosendo Urrabazo, CMF, Provincial Superior for the Claretian USA-Canada Province.

The ordination took place at Fr. Byron's parish, Saints Peter and Paul in Hopkinsville, KY, where he worked as a lay minister; he found his missionary vocation while working there. Byron worked there since 2004 as Director of Hispanic Ministry.

Now, Fr. Byron has been assigned as Assistant Vocation Director for the Claretians. He was assigned also to Claretian Hispanic Ministry Publishing Resources and Escuela Biblica Claretiana in Chicago.

Fr. Byron has been collaborating with CAVA since 2015, from which he has learned many valuable lessons from very hardworking and creative religious women and men.

Please pray for him and all CAVA members as they continue working for the sake of new vocations to religious life.

Going Strong at 60th Jubilee

Congratulations to CAVA member Sister MaryLou Rajdl, M.M. who is celebrating her 60th Jubilee this year! When Sister MaryLou arrived at Maryknoll, NY in 1957, she looked up at the Sisters' Center for the first time and thought, "Coming from a farming community in Minnesota, this building sure would hold a lot of hay!"

Assigned to Hong Kong in 1963 she pursued Cantonese language study. Later she worked as outpatient department supervisor at Our Lady of Maryknoll Hospital in a small clinic. Patients and staff noticed her kindness and patience in this extremely hectic, crowded and busy place. In Lantau Island, Sister Mary Lou extended the hospital's Community Nursing and also had a Prayer Presence ministry. Returning to Kowloon, she gave activity-oriented programs in Creation Spirituality including retreats in Vietnamese camps, spirituality days for Catholic and ecumenical groups and clown ministry sessions. She developed leadership in the group in a

creative way. She asked them to name the theme they wished for the retreat which gave insights into their needs. She changed students' ideas of what a retreat could be.

In 1978 Sister Mary Lou was assigned to the Eastern U.S. Region and worked in Chinatown, Chicago primarily as medical/social work interpreter, taking many Chinese to clinics and hospitals. She also served as a school nutritionist at St. Therese and was its community representative. After finishing her Master's degree in Spirituality, she returned to Hong Kong. After a number of additional years of mission work in Hong Kong, she returned to Chicago where Sister Mary Lou continues to do pastoral ministry with the Chinese and Burmese groups. She currently serves as a Spiritual Director and vocation minister in the Midwest area.

Through her 60 years in mission, Sister Mary Lou has endeared herself regaling everyone with her great sense of humor as a story teller, nurse, hospital administrator, language interpreter, spiritual and retreat director. One of Sister MaryLou's favorite quotes is Meister Eckhart's, "Every spiritual journey is a process and every process is a spiritual journey".

V Encuentro – What is it?

The process of Encuentro (encounter) for Hispanic/Latino ministry has been deeply ecclesial. It is motivated by reading the signs of the times and convened by the bishops, who call the Hispanic/Latino community to raise their voices. In the context of this dialogue among

the bishops and the community, we live a spirit of pastoral ministry illuminated by an ecclesiological communion and missionary vocation that seeks to reach out to those who find themselves estranged from the life and vision of the Church. The main objective of the process of the Encuentro is to discern the way in which Hispanics/Latinos respond as Church. To learn more, visit: <https://vencuentro.org/encuentros/> to pray for our brothers and sisters who are on this journey, go to: <https://vencuentro.org/prayer-for-the-v-encuentro/>
