I receive the most joy from: spending time with my family.

BEST PRACTICE: Throughout the school year, Nursing Students come to Little Company of Mary Hospital for a clinical rotation. During their orientation we gift them with a small goodie bag. It contains information about the LCM Sisters and their ministry, a Prayer Card, pen, some sweet treats (a small bag of cookies, chocolate, etc.), and a personally signed "Welcome Note" from one of the LCM Sisters. We want to create a welcoming atmosphere, have them learn more about the sisters and their mission and ministry, and also to help to eliminate some of the apprehension they feel on their first day. It has been a big hit with the students, and the instructors as well.
