

"Vocation Voices"

Name - Sr Marie Mason, sscm

Congregation - Servants of the Holy Heart of Mary

How long in Vocation Ministry - 6 years

List one BEST PRACTICE you'd like to share with your colleagues.

I find that most people I speak with do not have an understanding that they have a vocation - a call from God for them. If they recognize the word it's usually that someone becomes a priest or nun. So my best practice is to talk about vocation and about how they need to talk and listen to God about God's plan for them.
