

Good Morning everyone.

Thought I should get this out to you before I forgot about it again. I have not yet articulated any drafts of the vision or mission statements. I have a few questions about how to take the input. See Below.

This is how I grouped the responses. Many responses covered more than one topic.

CAVA Vision Statement Related Themes from Members

Some things I have questions about?

- Was CAVA given its mission from the archdiocese, or was CAVA started at the initiative of the religious and sanctioned by the archdiocese?
 - My reason for this question is that there seems to be some disparity in the understanding of CAVA's purpose. Is our primary purpose to promote religious vocations in the archdiocese, or to support vocation directors in the archdiocese?
 - I understand the need to reframe the mission and vision statements, but I don't think it is your intention to change the mission.
- Do we want to use all the input from the members to craft new mission and vision statements, or do we need to correct the understanding of CAVA's purpose?

Hope this makes sense.

God bless.

Subject: [EXTERNAL] August 31, 2016 CAVA Gathering - Compiled responses from Group Process for Mission/Vision Statements

Here it is (attached)

If I remember correctly, Fr Adam and Sr Rose Therese were the other two who might be able to help synthesize. I'm copying Marie in case she has time to do a quick response.

How about this:

1. If you could please review the responses first
2. Try to summarize a general theme that answer the following questions that would help articulate our mission statement:
 - Why CAVA (what do we believe, why are members joining, purpose and reason for existence in the Church)
 - How (In what way does CAVA operate that serves the mission of Christ in the Church? How do we reach whom we serve?)
 - What/Who (Who makes up CAVA, whom do we serve or help, with whom do we serve?)
 - Where - Chicago and beyond

Articulate Vision Statement from the Hopes section

3. Email our initial review/response to the responses
4. Do Conference Call to share, discuss, distill and perhaps come up with distilled mission statement and vision statement or at least towards some recommendations.

Timeline:

Email initial review by September 30. If not ready, email each other to indicate what date you expect to email something.

Second due date for email: October 14

Suggested Conference call date:

October 17, 18, 19, 20, 21

I am available either morning or afternoon for now so if you could please let me know if any of these dates are possible, otherwise suggest other dates.

Peace and blessings,

Sr. Lovina
