

NATIONAL CATHOLIC SISTERS WEEK

March 8–14

National Catholic Sisters Week is an annual, week-long celebration honoring and celebrating Catholic sisters across the country. Created in 2014, in conjunction with National Women's History Month and International Women's Day, the week raises awareness of the important contributions of women religious both past and present.

As part of the celebration, a series of testimonial videos will be shared that tell the stories of Catholic Sisters and their ministries, vows and experiences of living in community.

These videos can be found at [youtube.com/CatholicChicago](https://www.youtube.com/CatholicChicago).
