## **BelongChicago.org – ArchChicago Events Site for Young Adults**

Belongchicago.org, a database and map of young adult opportunities across the archdiocese successfully launched and has averaged approximately 100 unique views per day since doing so. There are 50 individual events and programs currently listed to date and additional contributions are coming in daily. This is an evolving list of opportunities and a site that is a work in progress. Currently all events are for young adults, however, it will expand in the coming months. If you have suggestions, ideas, or would like to add your community (non-CAVA) event to the list, please contact [belong@archchicago.org](mailto:belong@archchicago.org).

---

## **Vocation Voices**

Our August feature is Fr. Dennis Chriszt. You can find the link at the bottom of our website home page or go directly to: <http://www.vocationscava.org/vocation-voices/>. We would like to have each CAVA member featured so please contact Suzanne Petrouski at [vocations@lcmh.org](mailto:vocations@lcmh.org).

## **National Catholic Sisters Project Funding – Important information!**

As a member of CAVA you may qualify for some funding for an event you wish to implement as part of the National Catholic Sisters Project (NCSP). Please send your proposal to Sr. Lovina at [Lpammit@archchicago.org](mailto:Lpammit@archchicago.org). The event or initiative may include promotion of your own congregation or in collaboration with other communities to encourage young women to consider becoming a Sister. Chicago's Got Sisters, Online Discernment and Pizza with Volunteers are examples of collaborative programs that CAVA implements. These are already being supported by NCSP. Although the NCSP grant is targeted for promotion of Sisters, funding of these events indirectly benefits men's communities as well so I encourage you to work collaboratively to include the men when you craft your initiative. Be creative!

For the March 8 to 14, 2019 NCSW, go to <http://www.nationalcatholicsistersweek.org/get-involved.php> for ideas and for the curriculum. Applications for mini-grants will be available in the fall and will be announced in August.
