Sr. Carolyn Martin, Lsp Little Sisters of the Poor

How long in Vocation Ministry -

Although our religious family's vocation ministry is shared by all Little Sisters, this has been a special passion of mine throughout my religious life.

Birthplace: Falls Church, Virginia

Favorite Pastime / Hobby: Making rosaries

Favorite Song: In Remembrance of Me

Favorite flavor of ice cream: Oreo

Favorite Vacation Spot: The mountains

My favorite thing about being a religious Sister: We have the sacred privilege of being able to touch the very heart of people's lives through our ministry as consecrated religious.

I receive the most joy from: Helping the elderly poor to have happy hearts, and then handing them into the Father's loving arms when their earthly journey is completed. I also find great joy in seeing a young person discover and respond to God's call to a religious and/or priestly vocation.

Why be a religious today: So full of meaning and purpose, the consecrated religious life is an awesome way to live out one's baptismal commitment and to witness to God's healing love alive in the world.

Previous ministries: I have always served Jesus in the elderly poor and have also walked with women in vocational discernment.

What are you passionate about? Helping young people to discover the amazing joy of belonging entirely to Jesus.
