How long in Vocation Ministry - Since August of 2018

Birthplace: Cincinnati, Ohio

What book is currently on your bedside table? Just started reading *Pride & Prejudice*

Favorite Pastime / Hobby: Not quite a hobby - but my primary vocation brings me so much joy. My husband and I enjoy being foster parents. We've adopted our oldest son and hope to be adopting our second this summer. We love sharing new experiences with them, especially anything that involves being outdoors!

What are you passionate about? Foster care, vocations (in general, not just religious life), young adult ministry, and having a relationship with God.

Why be a religious today: If God called you, it's wise to follow.

A BEST PRACTICE you'd like to share with your colleagues: Perhaps not a best practice, but a monthly newsletter --- I feature a Sister story, discernment tips and info about our spirituality. It's a great way to keep in contact with women!
